LaMonica,

Althea prepared the 213 over a week ago and she already sent that. The REOC FSC at the time, John Spelman already signed the form and it should reference those funds. If more information is needed on that, I'd check with the REOC. They would also have a copy of the FEMA MA. As for preparing the commitment, I think you should be handling that. I would not expect the REOC to do individual commitment notices and under normal circumstances, you would be handling that anyway. That's my suggestion.

Thanks,

Derek

Derek,

I have not started the IA Amendment yet. I need the following documents to proceed:

1. Copy of the 213RR for the GSA/GIS work assigned
2. Copy of MA that funds will be charged under
3. Commitment Notice for funds being added to IA under MA (who prepares/signs/IMT Finance or SF Personnel)?
4. MA Accounting string for funds

LaMonica,

I'm assuming the questions from last week have all been resolved and that you are putting together a new funding document for GIS support. Althea Foster is tracking this as part of the REOC, so please provide her with a copy of our document (commitment notice ?) that we use to reference FEMA MA funds. Please let me know if you have any questions regarding this.

Thanks,

Derek
